Don't miss out on our general meetings! The neighborhood association sponsors a pizza dinner and provides much needed and informative information about our neighborhood and our community at every meeting. Don't be left out on the happenings in your neighborhood. Attend and be informed.

Neighborhood Loses A Friend

For all who knew Alan Anderson, know what a blessing he was in their lives. Alan passed away on June 17th and will be missed by so many in Washington Square. A resident of Towner St., Alan was very involved in the neighborhood association and dedicated a lot of time to its continued success. He gave much to Santa Ana through his involvement in community organizations and programs. A retired men's retail store owner, Alan kept his days busy by gardening, visiting estate sales and keeping watch over his neighbors. You could always count on Alan to bring your trash cans in if you were not home, call you if you forgot to move your car on street-sweeping day or water your lawn and plants while you were on vacation. He was the neighbor everyone felt grateful to have on their street. We dedicate this newsletter in memory of him.

BOARD WORKS ON CLEAN-UP EFFORTS FOR

In past recent months the board has been getting an increased amount of complaints regarding the trash that is collecting on Washington and 15th streets. In an effort to tackle this issue, meetings have taken place with Wilson Elementary, City Public Works Dept., and nearby neighbors. As part of the solution, temporary trash bins with Washington Square insignia will be strategically placed along both these streets. The bins will be monitored and maintained by the board and documented. Once it has been determined that the bins are working and children and adults are using them, the board will approach the city for support to install permanent, attractive bins. We need the support of all neighbors to make this a success. Please show your support by utilizing the bins and asking others to use them too.

Homes Selected For This Year's Tour

Congratulations to the following homes that were selected for this year's Washington Square Home Tour:

- | | |
|-----------------|-----------------|
| 1420 N. Towner | 1119 N., Lowell |
| 1502 N. Freeman | 822 N. Lowell |
| 828 N. Olive | 1321 N. Towner |
| 904 N. Olive | 1403 N. Lowell |
| 815 N. Freeman | |

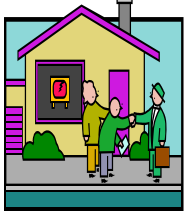

We were very excited to see so many residents interested in having their home on tour. The selection committee spend many hours previewing, discussing and choosing this year's homes. The committee decided to have the tour at the east end of our neighborhood so that all visitors could easily walk through the homes in one day.

For those neighbors that live near these homes being showcased, we ask that you support your neighbor through this time consuming event. By keeping your yards kept up and driveways tidy you will be enhancing the look of the home on tour. Simple things such as planting fresh annuals or shrubs in your yard, or feeding your grass, or washing your windows would do great wonders to the appearance of the street.

Our tour is scheduled for October 2nd and 3rd from 10am to 4pm. The committee has been impressed with the work these homeowners have completed to beautify where they live and we are proud to feature these homes.

There is much work to do, however, and the committee can use as much help as possible. If you have thought about becoming involved in the association or just want to do something positive for your neighborhood, this is your chance. We need docents to welcome guests at each home, volunteers to work ticketing and set-up and residents to assist with sub-committees where needed. For more information or to express an interest to help, please call Diana Valencia at 835-7304.

Welcome to Washington Square!

As old neighbors leave our neighborhood, new ones come in and continue the pride of homeownership in the square. Please welcome our latest neighbors and if you live near one, be sure and stop by and give a warm welcome as their new neighbor.
