Greetings Washington Square Family and Friends,

As you may know it is time for our annual membership drive and once again we are asking for your generosity and support.

Your contributions have made it possible to support and sustain the exciting events that help foster the community spirit that is unique to our small part of Santa Ana. Our neighborhood has been celebrated for the timeless architecture, tree lined streets and dedication to historical preservation that has made Washington Square one of the most desirable neighborhoods to live in and raise a family in Orange County.

Your generosity helps maintain the numerous family fun events held throughout the year such as Summer Movie Night, the annual Wine Walk, Chili Cook-off, Oktoberfest and Santa's yearly Christmas visit. Without your support, these unique celebrations would not be possible. On behalf of the WSNA Neighborhood Board of Directors, I would like to thank each and every one of you for your continuing contributions.

Below you will find many ways to contribute to these wonderful events, whether through monetary donations or opportunities to volunteer your time. Whatever level of support you are able to provide, we welcome all participation.

Please be aware, that WSNA is a 501(c)(3) organization and any donation made is tax deductible. Below, you will find many diverse ways of making your contribution and your participation is paramount to keep our neighborhood events ongoing and continuing our special community spirit.

Once again, I wish to thank all of you for your continuing support as we look forward to another great year in Washington Square!

With best regards,
 Kirsten Sketch
