**IT'S OUR ANNUAL MEMBERSHIP DRIVE!**

March, 2021

Dear Washington Square Family and Friends,

Through your donations and generosity, Washington Square remains a wonderful neighborhood to live in and raise a family!

Covid-19 has changed the way we all interact as a neighborhood but WSNA still stays connected. It is with your participation that WSNA continues to deliver the Newsletter to 700 homes and stocks the 6 dog depots. In fact, WS used 19,800 bags in 2020! We also hope you enjoyed the 1st WS Car and Motorcycle Show. Coming again soon, WSNA will host our annual Dumpster Day for everyone in the Square. We also hired a neighborhood student to clean all 14 of our WS trash cans.

The Association stays involved and invested in many behind the scenes projects. You might not see this but we do this every day for you - - Writing, meeting and calling City leadership and various City Departments. We are actively involved in: the Bristol Widening Project, In-N-Out rebuild, "THE NOISE" on Olive Street, removing graffiti, urban forest issues, traffic/safety concerns, maintaining and monitoring WSNA's Facebook page and website, Neighborhood Watch and more. The Association's work helps maintain our property values and quality of life!

As we enter 2021, the WSNA Board of Directors and Officers thank you in advance for your support!

May Good Health Surround WS!
